

One on one Business Chinese

★Program Introduction

Specialized program designed for business people and career development needs. Focus on "**accurate expression in business scenarios + proper etiquette + cross-cultural awareness**", solve the pain point of "being able to speak Chinese in daily life but not being able to use it in business scenarios"

You only need to tell us your language level, language learning goals, the industry you currently work in and business communication needs, we will **customize** the course for you and match the most suitable tutor for you.

We adopt a **learning-practice combination** model. Your tutor will not only help you to learn language, business etiquette, but also create real contexts and accompany you to practice in offline classes, for example, **visit a customer** and conduct **business negotiations**.

Your tutor will also simulate real contexts in online classes and provide **same quality** instruction for you.

★Tutor team

All tutors in our program have undergone comprehensive training and have professional certificates. They will provide you with patient, professional and **targeted teaching**, and solve your problems with a variety of different methods, making the lessons interesting and practical.

★Schedule

Off line classes are held from every Monday to Friday. You can choose to study **4 hours, 5 hours or 6 hours per day**.

The daily class schedule is very **flexible** and can be adjusted according to your dynamic requirements.

(For example, if you choose to take 5 hours of classes every day, we can have 3 hours in the morning and 2 hours in the afternoon,

or 2 hours in the morning and 3 hours in the afternoon or even other combinations if you have business conference and other work arrangement.)

The content and format of the classes can also be **adjusted** according to your specific needs.

The class time of online courses will be arranged according to your and your tutor's time schedule and it will also be **flexible** If you need to make any adjustments.
